WBENC

Certified Women's Business Enterprise

smartdept. inc. is a nationwide creative, digital, and marketing talent resource headquartered in Chicago. We provide companies with freelance, contract, direct hire, and contract-to-hire candidates. Our ability to service customers of all sizes, while still taking a boutique approach to service, allows us the best chance to cultivate the successful relationships we value.

WBENC Certified

As if excellent service and quality candidates weren't enough! Now partnering with a WBENC-certified business (that's us) gives you the added benefit of building relationships with other certified alliances. By working with a women-owned business, you show your company's commitment to working in diverse markets and furthering economic growth. That's good for everyone! And, when corporations and federal agencies include smaller businesses for their requirement of products and services, they are helping the economy to be stable. Still not convinced? What if we told you that working with a WBENC-certified business (again, that's us) provides tax incentives for your organization.

"To be able to have the pleasure of working for 17 years with the same owners that founded the company is to say the very least, not just an anomaly in the business, but something that truly differentiates our partnership and working relationship with Eric and Michelle. It is one thing that truly differentiates our relationship and makes the experience of working with smartdept. inc. unique and personal."
