# BUILDING Relationships

smartdept. inc. is a nationwide creative, digital, and marketing talent resource headquartered in Chicago. We provide companies with freelance, contract, direct hire, and contract-to-hire candidates. Our ability to service customers of all sizes, while still taking a boutique approach to service, allows us the best chance to cultivate the successful relationships we value.

## We Build Lasting Relationships

Our leadership team has been working together at smartdept. inc. for nearly two decades (and we worked together before that, too). Stability at the top is one of the main reasons we've been able to make and grow lasting relationships with both the candidates we represent and the clients who entrust us with their creative needs. Believe it or not, some of our partnerships span the entirety of our 20 years in staffing. Focusing on relationship building allows us to learn and grow with our partners. Trusting an organization committed to learning your business (that's us, BTW) and ensures stability within (again, that's us), can save you time, money, and ultimately help you achieve your business goals. Heck, if you work with us long enough, you might even like us! [Check out our newest blog](#) on this topic.

*"I have worked with the team at smartdept for over 18 years now, and from the beginning they have always provided top quality candidates, responded with a sense of urgency, and taken the time to get to know me, my needs and style. They seem more like a partner than just another agency."*

- Lance, Chicago
