

Smartdept. INC. Celebrates

smartdept. inc. is a nationwide creative, digital, and marketing talent resource headquartered in Chicago. We provide companies with freelance, contract, direct hire, and contract-to-hire candidates. Our ability to service customers of all sizes, while still taking a boutique approach to service, allows us the best chance to cultivate the successful relationships we value.

Of course, we are proud!

We started our mission to find better opportunities for creative professionals more than 20 years ago. We are still going! But, taking pride to the next level; that's a different thing altogether. That's why we decided that pride month was the perfect time to remind folks that smartdept is committed to DEI and our continued focus on making and strengthening relationships with people (and the organizations they represent) who share our vision.

At smartdept. inc., we flex our diversity muscles by connecting with other diverse companies, continuing to educate ourselves about diversity, equality, and inclusion initiatives, joining and supporting DEI-focused organizations, and employing people from protected classes.

Did you know employing people from all walks of life actually improves productivity and success?

And the best thing about taking pride to the next level is that anyone can do it!

Drop us a line at getsmart@thesmartdept.com if you'd like to share some of your DEI best practices. And, don't miss our [latest blog](#) on having pride year around.

"As a proud and out member of the LGBTQIA community, I feel especially grateful for smartdept. inc.'s commitment to supporting diversity and inclusion in the workplace.

Pride at work was never something I knew I needed until I got it, and it is something every person, regardless of gender or sexuality, should have.

Happy Pride 2021!"
