BOUTIQUE

IS BACK!

smartdept. inc. is a nationwide creative, digital, and marketing talent resource headquartered in Chicago. We provide companies with freelance, contract, direct hire, and contract-to-hire candidates. Our ability to service customers of all sizes, while still taking a boutique approach to service, allows us the best chance to cultivate the successful relationships we value.

We Actually Have Time for You!

Boutique is our way of saying we have time for you. Ridiculously so! Successful relationships demand time and effort. This is why we've met after hours, consulted on your wardrobe, treated your portfolio like gold, driven you to the interview when your car broke down, and even helped you move. Over the years, this philosophy has also led to more efficient processes, more accurate vetting, a better understanding of your professional goals and needs, and extremely accurate matches. Wallah! Happy candidate means happy clients! And invitations to family parties, bat mitzvahs, weddings, baby showers, and little league games. BTW... What time was that dance recital?

If you'd like a staffing firm to pay attention to you, drop me a note at getsmart@thesmartdept.com and [check out our latest blog](#) on being boutique.

"Applying online you wonder if your work is ever seen by a human. It's so refreshing dealing with people who understand the industry and actually listen to you. Quality opportunities that fit your experience, skills and preferences get presented to you and they get your work in front of people. They get you seen and that gets you work!"
